Vendors **must** check in before set-up. Set-up times are **Thursday, 4 PM–8 PM** (no overnight security) or Friday, 8 AM–10 AM. Vendors **MUST** be ready for health department inspection by 10 AM Friday. Basic electrical hook-up is included; any additional electrical needs will incur extra charges based on time and materials. **For liability reasons, the festival’s on-site electrician MUST hook up all vendors that have electricity available as part of the vendor agreement and will provide all electrical services.**

Vendors are responsible for keeping their area clean. Dumpsters are located near the rear bathrooms for trash disposal. Vendors must provide and cover **ALL** electrical cords and water lines to prevent tripping hazards—this is a liability and there will be no exceptions.
