If full payment is not received by that date, the location may be given to another vendor. No refunds will be given after **July 31, 2022**. All contracts will be finalized and approved no later than August 15, 2022. If your application is not approved, the food vendor will be notified by mail and any monies received will be refunded at that time. ALL NSF checks will be subject to an additional fee of \$40.00.

Vendors **must** check in *before* set-up. Set-up is Thursday from 4 pm – 8 pm (no security provided on Thursday night) or Friday morning from 8 am – 10 am. The vendor **MUST** be ready for the health department inspection by 10 am. Basic electrical hook-up is included. Please note anything that requires more than the basic hook-up provided by Charlotte Frontier Days, will be subject to an additional fee paid by the vendor. It is the vendor's responsibility to keep the area picked up and looking clean. Dumpsters will be on-site beside the rear bathrooms. This is where trash containers in the vendor area can be dumped. ALL electrical cords and water lines must be provided by the vendor and covered so the customers do not trip over them. This is a liability and there will be no exceptions.

Charlotte Frontier Days reserves the right to change or alter these rules at any time.
